

Comm.

4 Oct. 1952

Dear General Smith,

I talked on the telephone with Bill Jackson yesterday and he told me that he had seen you recently and had mentioned that I expect to return to Washington in the near future to resume operations. Bill said that you had been kind enough to suggest that I come to see you to discuss briefly whether there is something helpful that I could do in CIA, perhaps in connection with the estimates work. I am most grateful to you for the suggestion. I expect to make a short trip to Washington this coming week before moving down permanently about the 15th. I expect to be in Washington Thursday and Friday, the 9th and 10th and will call your office to see if you have any free time on either of those days. I shall look forward to seeing you

and again want to express my

sci/

appreciation of your country and
interest.

Sincerely yours

STAT
